Part B Requirements and/or Recommendations

1. Employers are responsible for their officers', employees', agents', consortia, and/or contractors' compliance with the requirements of 49 CFR Parts 40 and 382.
2. A complete Educational and Technical Assistance package entitled "A MOTOR CARRIER'S GUIDE TO IMPROVING HIGHWAY SAFETY" is available free on the FMCSA website to assist you in complying with the safety regulations. It contains many forms and documents useful for improving the safety of your operations. Check: www.fmcsa.dot.gov/factsfigs/eta/index.html.
3. A copy of your carrier profile can be obtained for \$20 from the SAFER website (<http://safer.fmcsa.dot.gov>) or by calling 800-832-5660 or 703 280-4001. You can also write: Computing Technologies Inc. P.O. Box 3248, Merrifield, VA 22116-3248. Profile cost if ordered by mail or phone is \$27.50.
4. Obtain a copy of each driver's driving record and review it annually.
5. Do not allow physically unqualified drivers to drive in interstate commerce.
6. Use of radar detectors or similar devices on commercial vehicles is illegal. Do not require or permit drivers to use them. Take appropriate disciplinary action against drivers if they are using such devices.
7. Establish a system to control passenger-carrying drivers' hours of service. Do not dispatch drivers who don't have adequate hours available to complete assigned trips legally. Do not allow drivers to exceed the 10, 15, and 60/70-hour limits
8. Review with your drivers periodically the procedures for doing pre-trip and post-trip inspections. Ensure that safety defects reported by drivers on their Vehicle Inspection Reports (VIR) are repaired before the vehicle is re-dispatched. Require drivers to prepare Vehicle Inspection Reports on a daily basis. Keep them on file for 90 days.
